

2025 Providence Dental Plans

For small groups with up to 50 enrolled employees

Available when paired with a medical plan, employers may choose from a range of dental plan options that provide comprehensive benefits to help promote overall good health.

Members have access to more than 1,200 participating dentists in Oregon through the Delta Dental PPO™ network and more than 2,300 participating dentists in Oregon through the Delta Dental Premier® network. After meeting the deductible, the member pays the following amounts for covered services.
