

Hello from your Providence Health Management team

Welcome to Providence Health Plan! It's nice to meet you.

Ensuring the well-being of the community means everything - to all of us. Your Health Management team is here to help you accomplish your goals and build a relationship grounded in trust and support. We're excited to introduce you to your **Health Engagement Coordinator, Kacie**.

Hi there, I'm

**Kacie
Pacheco**

Health Engagement Coordinator

I've been with Providence since: August 2019

I have a passion for healthcare because: I thrive on building connections with individuals and helping them feel supported in reaching their well-being goals.

My education/background: I have a Bachelor's degree in Business Management with a minor in Creative Writing. My background is in customer service, hospitality, & management.

I love my job, but here's a bit more about me.

If it's the weekend: I am either out walking, working in my yard, sipping wine at a local winery, or cozying up on the couch with my husband, daughter, and two cats, Winnie & Willow.

Fun fact about me: I used to drive a red Volkswagen Beetle with my childhood nickname on the license plate "KC BUG"

Thanks for the opportunity to partner with you. I look forward to getting to know you better, supporting your goals and helping the community discover True Health together.

For more than 160 years, Providence has aligned under a common purpose: to bring True Health to each and every member of the community. True Health is commitment to caring for the whole self: mind, body and spirit. The concept is rooted in the idea that the healthier each of us are, the healthier we all are.

We all deserve True Health.
