

Hello from your Providence Health Coaching team

Welcome to Providence Medicare Advantage Plans! It's nice to meet you.

Ensuring the well-being of the community means everything - to all of us. Your Health Coaching team is here to help you accomplish your goals and build a relationship grounded in trust and support. We're excited to introduce you to your **Health Engagement Coordinator, Melissa.**

Hi there, I'm

**Melissa
Sencion**

Health Engagement Coordinator

I've been with Providence since: December 2021

I have a passion for healthcare because: I believe health and wellness require a whole-person approach, taking into consideration social, mental, financial, and physical well-being. I choose to be part of a support system that acknowledges the whole person and motivates them to make their own unique health decisions.

My education/background: I hold a master's degree in Exercise Science, I have earned my Worksite Wellness Specialist certification, and have worked in public health for over 10 years.

I love my job, but here's a bit more about me.

If it's the weekend: I'm slow to wake up, grateful for a hot cup of coffee and at a nearby park, hike, or lake by mid-morning with my family and Rottweiler.

Fun fact about me: I love exploring different cultures by way of food and drink.

Thanks for the opportunity to partner with you. I look forward to getting to know you better, supporting your goals and helping the community discover True Health together.

For more than 160 years, Providence has aligned under a common purpose: to bring True Health to each and every member of the community. True Health is commitment to caring for the whole self: mind, body and spirit. The concept is rooted in the idea that the healthier each of us are, the healthier we all are.

We all deserve True Health.
