

Important Information about the Individual & Family Special Enrollment Period

Dear Valued Member,

Thank you for your continued enrollment with Providence Health Plan. We are pleased to offer you the opportunity to request an accelerated effective date for changes to your policy.

If you do not request to accelerate your effective date, your change(s) will be effective the 1st of the month according to the regular prospective effective dates (as listed in the table on the Change Form cover sheet).

If you'd like to request an accelerated effective date (which would start on the 1st of the month following our receipt of your completed Change Form), call our Membership Accounting team at **503-574-5791** or **888-816-1300 (TTY: 711)**, 8 a.m. to 5 p.m. (Pacific Time) Monday through Friday.

Your requested changes will be effective the first day of the month according to the effective dates table below.

Date we receive your change form	Effective date of change
September 1st - 30th	Your change will be effective on October 1st.
October 1st - 31st	Your change will be effective on November 1st.
November 1st - 30th	Your change will be effective on December 1st.

Please note: If you have an active recurring payment arrangement with Providence Health Plan, any changes to your premium rate may not update prior to the 1st of the month when recurring payments are processed. If your request results in a lower premium, your account will be credited on your next month's invoice. If your request results in a higher premium, Providence Health Plan will bill you for the additional amount.

2021 Oregon Individual & Family Change Form

This form is for **current Providence Health Plan Individual & Family Policyholders** only and changes to your Providence Health Plan coverage can **only** be requested by the Policyholder. To complete an application for new enrollment, please visit ProvidenceHealthPlan.com.

Do not use this form if you purchased your plan through the **Federal Health Insurance Marketplace**. You'll need to contact the Marketplace at HealthCare.gov or call 800-318-2596 to request changes to your plan.

To fill out a Change Form online, visit ProvidenceHealthPlan.com.

Keep in mind, some changes require a Qualifying Event (QE).

Experiencing a Qualifying Event grants you a 60-day Special Enrollment Period (SEP) to submit your Change Form. Please see the "Make Changes to Your Plan" section for a list of QE's if the change you want requires one.

Changes that require a QE:

- + Change in medical plan
- + Adding any dependents
- + Adding Providence Progressive Dental Coverage
- + Changing your address after moving to a new service area (Requires a change of medical plan - See the "Applicable Counties" list on page three to determine your service area)

Changes that DO NOT require a QE:

- + Canceling your medical and dental plan
- + Canceling your dental plan only
- + Removing dependent(s)
- + Changing your address after moving within the same service area
- + Reporting changes or corrections to a plan member's personal information (i.e name, birth date, tobacco status etc.)

When will my change(s) go into effect?

This form is for changes effective Jan. 1, 2021–Dec. 31, 2021. For all Qualifying Events and changes, coverage will be effective the first day of the month according to the effective dates table below as long as we receive your completed Change Form **within 60 days** of the Qualifying Event.

DATE WE RECEIVE YOUR CHANGE FORM:

1st–15th of the month

Example: We receive your Change Form on March 12th.

16th–last day of the month

Example: We receive your Change Form on March 28th.

EFFECTIVE DATE OF CHANGE:

1st day of the following month

Example: Your change will be effective on April 1st.

1st day of the 2nd following month

Example: Your change will be effective on May 1st.

Termination of your medical (and dental) coverage will be effective on the last day of the monthly period through which your premium was paid at the time this form is received.

If the Qualifying Event is birth, adoption, placement for adoption or foster care of a child, or a court order, coverage will be effective from the date of the event. If you would instead prefer a regular prospective (coverage) effective date based on the table above, please clearly indicate this on your form.

Please review the form to check that you've finished filling out all the required sections. If this form is incomplete for any reason—if it's missing Policyholder information, a valid signature, Qualifying Event, etc.—or if additional information is required, this may delay or void your requested changes. Your Change Form will expire **60 days after** the signature date.

(Requires a Qualifying Event)

Cancel Providence Progressive Dental
(Medical coverage will still be in effect)

Things to Know About Our Dental Plan:

- + Everyone on your medical plan will be enrolled, and there's an additional monthly premium of **\$32** applied to each covered member on the policy.
- + **For Connect plans:** coverage for children 18 and younger will be supplemental to the pediatric dental coverage already included under the medical plan.
- + For more information about dental benefits and coverage, visit [ProvidenceHealthPlan.com](https://www.providencehealthplan.com).

Pediatric Dental Disclaimer: Our Standard and HSA medical plans DO NOT include pediatric dental coverage. Under the health care reform law (the Affordable Care Act or ACA), if you purchase one of these plans outside of the Marketplace, we must have reasonable assurance that you have obtained separate pediatric dental coverage through a Marketplace-certified pediatric dental plan. This requirement applies whether you obtain coverage for children or adults. Marketplace-certified pediatric dental plans can be found through the Federal Health Insurance Marketplace at [HealthCare.gov](https://www.healthcare.gov).

Change information for dependents:

Only changes reflected on this form will be updated on your plan. If you are not making any changes, leave this page blank. Adding a dependent outside of Open Enrollment requires a Qualifying Event. Make sure you use full, legal names. For a child-only plan, children have to be age 20 or younger as of their effective date. For all other plans, children need to be age 25 or younger as of their effective date. If you have additional family members to be enrolled, please include them on a separate sheet with this Change Form. **If any dependents don't reside at the Policyholder's physical address, you need to provide their address below.**
