- You want to enroll with the Marketplace and/or need federal financial assistance to help pay your premiums. To determine if you qualify for federal assistance, you must apply for coverage at **Healthcare.gov**. You can also call the Health Insurance Marketplace at 1-800-318-2596 to learn more.
- You're entitled to Medicare Part A and/or enrolled in Medicare Part B. For information about Providence Medicare plans, please visit **ProvidenceHealthPlan.com/Medicare**.

Before You Begin

Here's some important information about this form.

Everyone listed on this form will be enrolled in the same single plan. A separate application is required for any family members who want coverage on different plans.

All plans purchased using this application will expire December 31, 2022. All plans are guaranteed renewable for the next plan year. We'll send you information at the end of the plan year, if you are eligible, about renewing your coverage for 2023.

Learn about different plans, compare coverage and check rates at ProvidenceHealthPlan.com.

This form does NOT cancel any active coverage you might already have. To avoid paying two premiums or having overlapping coverage, you need to cancel any currently active coverage you might have on a plan from either the Health Benefit Exchange or an employer, even if the policy is with Providence Health Plan.

Once you've completed this form:
Submit pages 1–7. If the form isn't signed, dated, fully completed, or if we need additional information, the date your coverage starts may be delayed. Your application will expire 60 days after the signature date, and we will not accept any postdated applications.

Additional Information

What is a Medical Home?

When you enroll in a Connect or Choice plan, you are required to choose a Medical Home. A Medical Home is a cooperative, patient-centered clinic made up of providers and staff who work with you to address your physical & mental health needs and goals. The Medical Home you choose coordinates all elements of your care across hospitals, specialists, pharmacies, home health services, and community resources to ensure greater accessibility, shorter wait times, and an integrative approach to your health. A referral from your Medical Home is required to see a specialist.

I'm signing up during a Special Enrollment Period due to a Qualifying Event. When will my coverage take effect?

If the qualifying event is birth, adoption, placement for adoption or foster care of a child, or a court order, coverage will be effective from the date of the event. All other qualifying events will be effective on the first day of the month following Providence Health Plan's receipt of your completed application. If you would prefer a prospective effective date as outlined in the contract, please call Membership Accounting at 503-574-5791 or 1-888-816-1300 for further instructions. For further instructions and details related to a Special Enrollment Period (SEP), visit **ProvidenceHealthPlan.com/qe**.

How do I make changes to an existing plan?

If you are an active Individual & Family Plan policyholder in the state of Oregon and would like to make changes to your current plan, visit **ProvidenceHealthPlan.com/forms** to complete an Individual & Family Plan Change Form. Please note that outside of Open Enrollment (11/1/2021 – 1/15/2022), some plan changes require a Special Enrollment Qualifying Event (described on page 1).

This application form is only for new enrollment in an Individual & Family Plan purchased directly from Providence Health Plan. That means if you are an active member and submit this application for new enrollment, you will be enrolled in a new policy which will result in duplicate coverage and two premium payments.
