2022 Provider and Pharmacy Directory

Section 1 - Introduction

This directory provides a list of Providence Medicare Dual Plus (HMO D-SNP)'s network providers.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. Because your PCP will serve as your primary provider of all your health care needs, we ask that you take the time to consider your choice at the time you enroll.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require areferral. Even if you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Other providers are available in our network. Please refer to your Evidence of Coverage or Summary of Benefits for additional details.

If you are enrolled in a plan that includes routine vision services, you may see any qualified routine vision provider. For detailed information about your routine vision services, please refer to your Evidence of Coverage. You are not limited to the vision-related providers listed in this directory. The vision-related providers listed in this directory are provided for testing and treatment of specific vision-related conditions, such as glaucoma and macular degeneration.

If an out-of-network provider asks you to pay for covered services, please call our Customer Service Department at 503-574-8000 or 1-800-603-2340, seven days a week, between 8 a.m. and 8 p.m. (Pacific Time). TTY users should call 711, or mail your claim to Providence Medicare Advantage Plans, P.O. Box 5548, Portland, OR 97228-5548.

In an emergency, you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial 911 for immediate help by phone or go directly to the nearest emergency room, hospital, or urgent care center.

You may get covered emergency medical care whenever you need it. Emergency care is covered worldwide. Our plans cover emergency ambulance services in situations where getting to the emergency room in any other way could endanger your health.

If you have an emergency, we will talk with doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable, and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Under Providence Medicare Dual Plus (HMO D-SNP), your follow up care will need to be provided by an in-network provider to be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over care as soon as your medical condition and the circumstances allow. In most cases, follow up care is covered only if it is provided in the United States. Please consult your Evidence of Coverage or Summary of Benefits for additional detail.

As a member of Providence Medicare Dual Plus (HMO D-SNP), you must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Providence Medicare Dual Plus (HMO D-SNP) will be responsible for the costs.

Pharmacies

This booklet provides a list of Providence Medicare Dual Plus (HMO D-SNP)'s network pharmacies.To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Providence Medicare Advantage Plans' formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Providence Medicare Dual Plus (HMO D-SNP) only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any of our other network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage. These are limited to 30-day supplies, and you may pay more than if you had filled your prescription at a network pharmacy.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 15, 2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with ✪ to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this pharmacy directory.

This directory is for Clackamas, Multnomah, and Washington counties in Oregon which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call our Customer Service Department at 503-574-8000 or 1-800-603-2340, seven days a week, between 8 a.m. and 8 p.m. (Pacific Time). TTY users should call 711. You can also visit **ProvidenceHealthAssurance.com/findaprovider**.

We also list pharmacies that are in our network but are outside Clackamas, Multnomah, and Washington counties in Oregon, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside of Clackamas, Multnomah, and Washington counties in Oregon, or call our Customer Service Department at 503-574-8000 or 1-800-603-2340, seven days a week, between 8 a.m. and 8 p.m. (Pacific Time). TTY users should call 711. You can also visit **ProvidenceHealthAssurance.com/findaprovider**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
