Providence Health Assurance is an HMO, HMO-POS and HMO SNP with Medicare and Oregon Health Plan contracts. Enrollment in Providence Health Assurance depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

# Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **503-574-8000** or **1-800-603-2340 (TTY: 711)**, 8 a.m. to 8 p.m. (Pacific Time), seven days a week.

## Understanding the Benefits

- ✔ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [ProvidenceHealthAssurance.com/EOC](https://www.providencehealthassurance.com/EOC) or call **503-574-8000** or **1-800-603-2340 (TTY: 711)** to view a copy of the EOC.
- ✔ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ✔ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ✔ Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- ✔ In addition to your monthly plan premium (including \$0 premium plans), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual enrollees who are eligible for Providence Medicare Dual Plus (HMO D-SNP).
- ✔ Benefits, premiums, and/or copayments/co-insurance may change every year.
- ✔ When selecting an HMO product, remember that except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ✔ Our HMO-POS plans allow you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- ✔ Providence Medicare Dual Plus (HMO D-SNP) is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- ✔ Effect on current coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

You're part of something bigger than an insurance policy. You're part of a community of care, focused on your health and well-being. To be clear, this summary of benefits is just that, a summary. It doesn't list every service that we cover nor every limitation or exclusion. Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

For a complete list of services that we cover, please refer to the Evidence of Coverage (EOC). You can request a printed copy by visiting [ProvidenceHealthAssurance.com/EOC](https://www.providencehealthassurance.com/EOC) or by calling our Customer Service department at one of the numbers listed in the "Get in touch" section below.

|---|
| <b>Stand-alone Medicare Prescription Drug Plans (Part D)</b>  |
| <b>Medicare Prescription Drug Plan (PDP):</b> A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.   |
| <b>Medicare Advantage Plans (Part C) and Cost Plans</b>   |
| <b>Medicare Health Maintenance Organization (HMO):</b> A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan’s network (except in emergencies).  |
| <b>Medicare Preferred Provider Organization (PPO) Plan:</b> A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.  |
| <b>Medicare Private Fee-For-Service (PFFS) Plan:</b> A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan’s payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers. |
| <b>Medicare Point of Service (POS) Plan:</b> A type of Medicare Advantage Plan available in a local or regional area which combines the best feature of an HMO with an out-of-network benefit. Like the HMO, members are required to designate an in-network physician to be the primary health care provider. You can use doctors, hospitals, and providers outside of the network for an additional cost.   |
| <b>Medicare Special Needs Plan (SNP):</b> A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.   |
| <b>Medicare Medical Savings Account (MSA) Plan:</b> MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.  |
| <b>Medicare Cost Plan:</b> In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan’s network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.  |
| <b>Medicare Medicaid Plan (MMP):</b> An MMP is a private health plan designed to provide integrated and coordinated Medicare and Medicaid benefits for dual eligible Medicare beneficiaries.  |
| <b>Dental/Vision/Hearing Products</b>   |
| Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans are not affiliated or connected to Medicare.   |
| <b>Hospital Indemnity Products</b>  |
| Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.  |
| <b>Medicare Supplement (Medigap) Products</b>   |
| Plans offering a supplemental policy to fill “gaps” in Original Medicare coverage. A Medigap policy typically pays some or all of the deductible and coinsurance amounts applicable to Medicare-covered services, and sometimes covers items and services that are not covered by Medicare, such as care outside of the country. These plans are not affiliated or connected to Medicare.   |
