***Pediatric Dental Disclaimer:** Some of our medical plan options DO NOT include pediatric dental coverage. Under the healthcare reform law (the Affordable Care Act or ACA), if you purchase our medical coverage outside of the Exchange, we must have reasonable assurance that you have obtained separate pediatric dental coverage through an Exchange-certified pediatric dental plan. This requirement applies whether you obtain coverage for children or adults. Exchange-certified pediatric dental plans can be found through the Federally Facilitated Marketplace, www.healthcare.gov. If you purchase a PHP Standard medical plan, adding the Providence Dental Plan for children aged 18 and younger does not satisfy the ACA pediatric dental Essential Health Benefit (EHB) requirement.
