## A patient-first network with options for every need

Connect supports members with a tailored medical home provider network that includes specialty and hospital care. This team works together to make sure they're all on the same page when it comes to the members health. Family members can also be covered as dependents. That means coverage for students attending college in another state, or significant others who live in another city.

## Connect is sold to businesses located in these counties:

- Clackamas
- Hood River
- Multnomah
- Washington
- Yamhill (ZIP codes 97123 and 97132 only)

## Clinic options include:
